Company BIO:

With over 20 years of experience, the team of trainers and learning coaches at interactive business Training (ibT) is dedicated to cultivating human elements through personal and professional development. ibT provides a focused environment for learning... for gaining knowledge and understanding. We know it is not really about technology – it is about people.

ibT builds partnerships with its customers to provide training that assists employees in replenishing their knowledge and acquiring new skills to do their job better. As a woman-owned small business established in 2019, ibT is committed to excellence. We pride ourselves on the exceptional customer feedback we continually receive.

Core Competencies:

We use our extensive experience in personal and professional development to cultivate essential human elements, including but not limited to training in:

- Data analytics
- Microsoft applications
- Process Based Management
- Programming
- Safety
- Social Media
- Soft Skills
- Technical Certification

What sets ibT apart from the competition?

- Collaboration with our customers to develop learning programs that lead to employee success.
- High-quality instructor-led training, both in-person and virtually.
- Commitment to treating everyone with fairness and respect.
- First-rate, current training with the latest technologies and time-proven methods of successful communication.
